

Flamingo nXt training course @ NDAR, Antibes, 12-13 Nov 2014

05 September 2014

Hello everyone,

A 2-day Flamingo nXt training course will be held in our offices 12-13 Nov 2014.

Instructor is Vanessa STEEG. The course will be held in English, and other languages will be supported (French, Spanish, Italian).

The course is aimed at product designers and ship and boat designers. The topics covered include:

- Lighting
- Environment and scenes setup
- Materials and textures
- Decals
- Rendering management

Course fees are 650€ / day, lunch will be provided. Advance payment of the fee is required to confirm registration.

Participants should have Rhino3D v5 and Flamingo nXt installed on their laptops. In terms of hardware, any modern laptop or netbook will run Rhino5/ Flamingo comfortably in the context of the training course.

Registration will be accepted on a first come first served basis, places are limited.

For more information or logistics questions, please contact ndar@ndar.com.

Looking forward to seeing you at the course,
