

Rhino3D Interior & Furniture modelling @ NDAR, Antibes, 13-15 February 2017

A 3-day Rhino3D Interior & Furniture Modelling course will be held in our offices on 13-15 February 2017.

The course is intended for architects, interior designers, boat designers, furniture designers and amateurs in the field. Syllabus covers:

- ✓ Rhino v5 basics & user interface
- ✓ Creating Basic Geometry
- ✓ Editing Geometry
- ✓ Organic modeling (surface creation & control point editing)
- ✓ Practical cases: creating furniture pieces
- ✓ Advanced tools: tips & tricks
- ✓ Setting up an interior space
- ✓ Handling camera angles and views
- ✓ Lighting basics
- ✓ Rendering basics

Course fees are 650€ / day, lunch will be provided. Advance payment of the fee is required to confirm registration. A minimum of 2 registered attendees is requested to maintain the course. Registration will be accepted on a first come first served basis, places are limited.

10% DISCOUNT FOR EARLY BIRD REGISTRATION

Register **before 5 January 2017** and benefit of a 10% discount on the course fees.

Participants should have Rhino3D v5 (latest service pack) installed on their laptops. A temporary Rhino3d license may be lent for the time of the training.

For more information or logistics questions, please contact ndar@ndar.com.

Looking forward to seeing you at the course,

Stéphane DARDEL
