

Rhino3D Level 1 @ NDAR, Antibes, 20-22 April 2015

18 March 2015

Hello everyone,

A 3-day Rhino3D Level 1 training course will be held in our offices on 20-22 April 2015.

Instructor is Vanessa STEEG of McNeel. The course will be held in English, and other languages will be supported (French, Spanish).

The course is intended for all users beginning with Rhino3D. Syllabus covers:

- Rhino Basics
- Creating Geometry
- Precision Modeling
- Editing Geometry
- Point editing
- Creating Deformable shapes
- Modeling with Solids
- Creating Surfaces
- Importing and Exporting
- Rendering
- Dimensions and annotations
- Layout and Printing

Course fees are 650€ / day, lunch will be provided. Advance payment of the fee is required to confirm registration.

Participants should have Rhino3D v5 installed on their laptops. A temporary licence may be borrowed for the time of the training. In terms of hardware, any modern laptop or netbook will run Rhino5 comfortably in the context of the training course.

Registration will be accepted on a first come first served basis, places are limited.

For more information or logistics questions, please contact ndar@ndar.com.

Looking forward to seeing you at the course,

Stéphane DARDEL
